WASTE FROM MILITARY SHOPS AND ORGANIZATIONS:

BLUE-TOTER:

The following materials should be recycled: White & colored paper, carbonless forms, envelopes with or without windows, manila, white & pastel colored file folders, stapled materials, post-it-notes, bound materials (without spiral & plastic bindings, metal pins & paper clips), shredded paper consisting of above materials (remove shredded paper from bag), telephone books, newspapers, & magazines. Also recyclable in toters: aluminum cans, tin cans, plastic containers #1-7, glass food & beverage containers, take-out cups, juice boxes, milk & cream containers, paper bags.

Place toters at the curb by 0600 each Monday. No pickup on holidays or if severe weather. For questions regarding recycling call 4-2644 or 4-9568 9CES/CEAN Customer Service.

CARDBOARD:

Break down cardboard boxes & remove all packing materials, plastic wrapping or popcorn foam. There are over 20 cardboard dumpsters, marked "Cardboard Only" around the base.

TONER CARTRIDGES:

Return used toner cartridges to the manufacturer using the postage paid label included in the box with your replacement cartridge. If you do not have a

label, take to Base Store at Bldg 1086 call 4-8286.

ELECTRONIC WASTE:

Electronic waste includes TVs, computers, monitors & cell phones, etc. Turn-in e-waste thru 9 SD using forms DD 1348 & DLIS Form 1867, call 4-8150 for more information. Down load forms from www.drms.dla.mil

UNIVERSAL WASTE (UW):

Used/spent fluorescent light bulbs, HIDs & mercury vapor bulbs and dry cell batteries are regulated waste. Do not store in the same box as new. Write "Universal Waste - Lamps" on box with large marker; date the box when the first spent tube is placed in box. When box is full, seal & mark on box the number of tubes inside. Batteries should be stored in a plastic container. Keep UW items no longer than 9 months. HW generating shops keep UW near HW collection areas. Other shops keep UW in a storage area on location. Call 4-2344 or 4-2657 to set up a Universal Waste accumulation point for more information.

USED TIRES:

If sent off base - must be manifested & copy sent to 9 CES/CEAN. Call 4-9568 for more information. Small quantity generators: Bring used tires to Bldg 539, call 4-2344.

UNPAINTED WOOD/PALLETS:

Recycle at scrap area next to building 539. Call for appointment 4-2344.

METAL:

Turn in at Bldg 539, call 4-4452. Used government equipment (tools, toolboxes, lockers, etc.) can not be turned in as scrap metal; turn into 9 SDS (see Equipment). Empty cylinders can be cut by 9 CES Metal Shop, 4-2705, use work order Form 332

EQUIPMENT:

Turn-in equipment items 9 SDS Equipment Management, use form AF IMT 2005, 9 SDS Customer Service, Ph: 4-9496,

HAZARDOUS WASTE:

Items such as used chemicals, all types of batteries, non-laundrable industrial rags, paints, nonempty aerosol cans, shop floor sweepings, shop mop water etc., should be turned in through your organization's hazardous waste monitor. For more information about your potentially hazardous waste accumulation and disposal call 9 CES/CEAN at 4-2644 or 4-9568.

EXCESS HAZARDOUS

MATERIALS:

Return to HAZMART. They will reissue it free or turn in to DRMO. If it can not be reused, HAZMART will give authorization to turn-in as hazardous waste. Call 4-8129 or 4-4007.
